**Office Memorandum**

Subject: Subletting of General Pool Residential Accommodations.

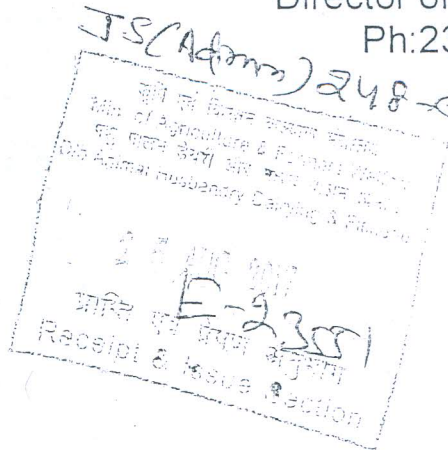

The Directorate of Estates manages housing stock of about 61310 quarters. The Directorate receives requests for allotment of quarters on regular basis. However, despite shortage, some occupants of Government quarters sublet their quarters for monetary gains. To desist occupants from subletting their quarters, an year ago this Directorate raised the rates of damages payable on subletting to many fold. Directorate of Estates is publicizing the decision among the occupants so that they do not enter into such practice and do not have to face hardship by way of paying heavy damages.

2. A Brief Note on the damages and other consequences of subletting of government quarter is enclosed herewith. It is requested that wide publicity may be given to this O.M. so that each allottee is aware of it.
