Government of Tripura
Directorate of Animal Resources Development
P N complex, Agartala

No.F.9-25/ARDD/DIL/RKN/2011/

Dated, the 21st March, 2011

Sanitization Certificate

This is to certify that after notification of outbreak of Avian Influenza (Bird Flu) by the Government of India on 6th March, 2011 for culling of ducks and poultry birds from backyard, Government and Commercial farms falling within 3 km radius of State Poultry Farm, Gandhigram, Agartala, West Tripura has been completed.

The work of sanitization including burial of culled birds and eggs, burning of trays, feed and feed ingredients, baskets, small cages, cleaning & disinfection of duck and poultry houses and cages including sheds of farm and farm premises, cleaning of feeder and waterers, cleaning of water tanks, white washing, sprinkling of lime & bleaching powder in and around of poultry houses/ cages with spraying of 2% sodium hypochlorite and 4% formalin etc. have been completed satisfactorily in the notified infected zone as per Action Plan (November, 2006) for control and containment of Avian Influenza, DAHD&F, Ministry of Agriculture, Govt of India. All the commercial farms falling within the infected zone have also been sealed.

No poultry related activity will be allowed in the notified zone for at least 3 months until further order.

(Dr. J Chakraborty)
