Sir/Madam,

Subject: Import of Pets under Baggage - reg.

Attention is invited to Board's Circular No. 94/2002- Customs dated 23.12.2002 on the above cited subject wherein it was provided that import of pets upto two numbers per passenger may be allowed at one time subject to the production of the required health certificate from the country of origin and examination of the same by the concerned Quarantine officer.

2. Board has re-examined the present policy of import of two pets by passengers in view of representations received in this regard. This new dispensation shall come into force with effect from 15th April 2013. Import of animals (pets) in general would continue to be governed by DGFT policy.

3. Board's Circular No. 94/2002 - Customs dated 23.12.2002 stands modified accordingly to that extent.

4. These instructions may be brought to the notice of the trade/airlines/carriers by issuing suitable Trade / Public Notices. Suitable Standing orders/instructions may be issued for the guidance of the field officers.

Subject: Import of pets under Baggage – Regarding.

I am directed to refer to Board's instructions issued vide Circular No.9/2002 dated 30th January, 2002 on the above mentioned subject, wherein it was reiterated that bonafide pet animals brought by passengers may be allowed to be brought into the country only against an import sanitary permit issued by the Department of Animal Husbandry & Dairying or against an import licence issued by the DGFT.

2. In this connection, several references have been received from the passengers, as also the field formations, pointing out the difficulties being faced in implementing the above instructions. The matter has since been re-examined in consultation with the Department of Animal Husbandry & Dairying and Ministry of Commerce and Industry, and it has been decided that the import of pets (dog and cat only) upto two numbers per passenger may be allowed at one time subject to the production of the required health certificate from the country of origin and examination of the said pets by the concerned Quarantine Officer. In such cases, the passengers may not be asked to produce the import licences or import sanitary permits. A copy of standard health protocol to be followed by the passengers while bringing pet animals (dogs and cats) with them is enclosed at Annexure I and II.

3. Necessary instructions may please be issued to all concerned for compliance. Difficulties faced, if any, in implementation of the above instructions may be brought to the notice of the Board.

Kindly acknowledge the receipt.
