D.O.No.2-4/2018-AHT/FF

Dated, 9th May, 2018

Madam/Sir,

Considering the severity of the drought / drought like situation in certain parts of the country, there is an urgent need for taking up measures for increasing the availability of fodder to the livestock so as to mitigate the effects of natural calamities. The Department of Animal Husbandry, Dairying and Fisheries has prepared detailed advisory on measures to be taken for increasing availability of fodder to mitigate the effect of natural calamities (copy enclosed).

2. It is therefore requested to kindly take all possible steps to intensify the fodder development works in your State in convergence with MGNREG and other schemes with a special focus on drought affected regions, in order to minimize the adverse effects of drought so that if drought situation arises, the shortage of fodder could be addressed effectively.

With regards,

Yours sincerely,

9.5.18
