D.No.K-12052-9/13/2020-LH-Pt (1)

Dated: 10th February, 2023

Respected Madam/Sir,

The Veterinary Council of India (VCI) is mandated to fill 15% of All India quota seats in recognized veterinary colleges through a common entrance test i.e National Eligibility-cum-Entrance Test (Undergraduate) (NEET-UG). The NEET (UG) was held on 17TH July 2022 and the result was published on 7th September 2022. The admissions to 1st year B.V. Sc & A.H couldn't completed by 30th September 2022 as given in the MSVE Regulations 2016.

Thus, the date of admission in to 1st year B.V. Sc & A.H was extended till 31st January 2023 for academic year 2022-2023. However, it has been brought to the notice of Competent Authority that a few seats remained vacant in the veterinary colleges (both in public and private domain) and the extension of the last date of admission would ensure filling up of vacant seats to a large extent.

The VCI in its meeting dated 2-02-2023 has recommended extension of date of admission with the following guidelines:

1. The colleges will follow the extant guidelines of the State / University/ college completing the admission against the vacant seats ; as may be available to the college /university
2. The admission will be made after giving sufficient notices and time, and following the merit of the candidates.
3. The concerned colleges should strictly observe that the minimum prescribed days for the academic session will be taken care by arranging extra classes if need be.

I am to convey, that the Competent Authority has allowed the extension of the last date of admission to 1st year B.V.Sc & A.H, in recognized veterinary colleges from 31st January 2023 to **15th February 2023**, subject to the aforesaid conditions.

All Vice Chancellors, Registrars of Veterinary Universities/Agriculture Universities having veterinary colleges and the Director, AHD of States/UTs may kindly take note of the above extension of the last date for admission to B.V. Sc & A.H course at veterinary colleges in the country.

Yours sincerely,

hines
Dr. G Krishna Kishore
Director/LH

10/2/2023

To,

- a) Principal Secretary/Secretary Animal Husbandry Department (all States/UTs)
- b) Vice Chancellors, Registrars of Veterinary Universities/Agriculture Universities having veterinary colleges (all States)
