

F.No.4-9/2019-DP (E-8585)
Government of India
Ministry Fisheries, Animal Husbandry & Dairying
Department of Animal Husbandry and Dairy
(Dairy Division)

Krishi Bhawan, New Delhi
Dated: 21-10-2021

To,

Principal Secretary/Secretary
State Government
Dairy Development Department
(All States)

Subject: - Submission of New Project Proposal under restructured "National Programme for Dairy Development (NPDD)" scheme.

Sir/Madam,

I am directed to refer to the DO letter of even no. dated 09.08.2021 from Joint Secretary (C&DD), Department of Animal Husbandry & Dairying, Govt. of India on the above mentioned subject and to state that this Department has received complete proposals prepared as per guidelines from the States of Gujarat, Karnataka, Punjab & Rajasthan only during the year 2021-22.

2. Based on data available with the Department and considering annual growth in milk procurement, it is estimated that there is gap in milk chilling capacity and more bulk milk coolers are required to be installed in the States of Bihar, Gujarat, Haryana, Karnataka, Kerala, Maharashtra, Punjab, Rajasthan, Tamil Nadu and Uttarakhand. Similarly, based on data of existing/functional DCSs in the State and considering about 50% of the DCSs as feasible for installation of electronic milk testing facility including adulteration testing equipment, nearly all the States require the such testing facilities (except Gujarat).

3. I therefore request that respective State Governments may review their field level situation for formulation of new project proposals by the State implementing Agencies and arrange to submit to this Department with due recommendation of SLTMC at the earliest. Such project proposals of implementing agencies having no pending UCs against the releases made upto 31.03.2020 will be considered.

Yours sincerely,

(C.Sen)

Deputy Commissioner (DD)
