For implementation of the scheme, funds have been already released for various activities which include procurement of accessories like syringe, needles etc cold chain infrastructure, remuneration for ear tagging including cost for procurement of ear tags for the States/UTs to be covered in the 1st phase to the State Implementing Agency (SIA) / Livestock Development Board (LDB) through PFMS. It may be noted that as per GFR 2017, the SIAs/LDBs are to ensure registration of all the implementing agencies till last levels and use of Expenditure, Advance and Transfer (EAT) module of Public Financial management System (PFMS) for flow of funds so that effective monitoring of funds utilization can be done as per Rule 232 (v) of GFR 2017.
